

HOW to solve the traffic problems in the Thoroughfare?

The biggest problem has been that the Thoroughfare signage is **difficult to understand** and **hard to enforce**. The current sign is the legal requirement for our Thoroughfare Traffic Regulation Order. The group decided a simpler sign (and simpler TRO) would be easier to understand and follow. We refined 3 options:

The current sign reflects the current TRO. It is overly complicated, impossible to read in a hurry, and has provisions that are years out of date

OPTION 1
NO ACCESS 10-4
7 days a week
Except permitholders & loading

OPTION 2
NO ACCESS
Except permitholders & loading

OPTION 3
NO ACCESS 10-4 Mon-Sat
Except permitholders & loading

Option 1

**NO ACCESS 10-4
7 days a week**

**Except for
permit holders and loading**

Permit holders a) may/ b) may
not include disabled drivers.

If including disabled drivers,
they will need a different permit
to Blue Badge
(? Who does it include?)

If not, can we negotiate more
disabled parking
At ? Oak Lane car park

Parking only in signed bays

These bays to be better marked
The too-narrow bay
in front of Sant Studio
to be removed

Other main changes:

**Restriction on lorry weight
removed**

Restriction is every day

Option 2

**NO ACCESS at any time
(ie. no motor vehicles
any time, any date
so nobody can park
overnight)**

**Except for
permit holders and loading**

Permit holders a) may/ b) may
not include disabled drivers.

If including disabled drivers,
they will need a different permit
to Blue Badge
(? Who does it include?)

If not, can we negotiate more

Option 3

**NO ACCESS 10-4
Mon-Sat
(ie. the same entry times
as currently)**

**Except for
permit holders and loading**

Permit holders a) may/ b) may
not include disabled drivers.
